Study to Assess the trends in Income inequalities and regional imbalances

2101. SHRI IQBAL SINGH: Will the Minister of PLANNING AND PROGRAMME IMPLEMENTATION be pleased to state:

(a) whether Planning Commission have conducted any study to assess the trends in income inequalities and regional imbalances since 1980;

(b) if so, the details thereof: and

(c) if not, the reasons therefor?

THE MINISTER OF STATE OF THE MINISTRY OF PLANNING AND PROGRAMME IMPLEMENTATION (SHRI GIRIDHAR GOMANGO): (a) to (c) Two indicators of regional inequalities are available on regular basis. One is the per capita Net State Domestic Product compiled by Central Statistical Organisation every year, and the other is the State-wise estimates of poverty based on household consumption expenditure survey conducted by National Sample Survey Organisation. These estimates are made quinquennially. These data are studied and utilised for allocating central resources across States.

Scheme to provide Tools to Artisans

@2102. SHRI RAMJI LAL: Will the PRIME MINISTER be pleased to state:

(a) whether Government have any scheme for providing modern tools to the traditional rural artisans, specially to those belonging to backward classes and SC/ST community.

(b) if so, what are the details thereof; and

(c) what is the total number of people likely to be benefited under this scheme along with the amount likely to be spent on it during the year 1993-94, State-wise and District-wise?

THE MINISTER OF STATE OF THE MINISTRY OF RURAL DEVELOPMENT (DEPARTMENT OF RURAL DEVELOPMENT) (SHRI UTTAMBHAI PATEL): (a) Yes, Sir.

(b) The Scheme of 'Supply of Improved Tools Kits to Rural Artisans' is under implementation as part of IRDP from this year in 62 districts of the country. All traditional rural artisans excepting weavers, tailors, needle workers and bidi workers living below the poverty line are covered under this scheme. The main objective of the scheme is to enable poor rural artisans earn higher income in their traditional abodes by using modern tools. This will also reduce their migration to urban areas. Under the scheme, the Government provide 90 per cent of the average cost of tool kits of Rs. 2000 as subsidy.

(c) During 1993-94, 100 more districts in the country are proposed to be covered under the scheme. A budget provision of Rs. 23.40 crores for the scheme has been proposed. With this 1.3 lakhs rural artisans are proposed to be assisted. Further details are being worked out.

Clearance of Water Supply scheme in Village Chaban, Poona

@@2103. SHRI BHUPINDER SINGH MANN: Will the PRIME MINISTER be pleased to state:

(a) whether it is a fact that the ground work on water supply scheme for 30,000 people of the village

---

@ Previously Unstarred Question 1434, transferred from 5th March, 1993.

@@Previously Unstarred Question 1514, transferred from 5th March, 1993.

Chaban of District Poona in Maharashtra is pending since 1985;

(b) if so, the reasons for delay in completion of the scheme; and

(c) by when the ground work on the scheme is likely to be started?

THE MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT (DEPARTMENT OF RURAL DEVELOPMENT) (SHRI UTTAMBHAI PATEL). (a) Yes, Sir.

(b) Chaban village has already an existing piped water supply scheme. An augmentation scheme proposed by the Maharashtra Water Supply and Sewerage Board could not be considered by the State Government due to non-availability of Resolution of village Panchayat|Zilla Parishad accepting the scheme; plans and estimates of the scheme were not prepared according to latest schedule of rates, per capita cost was more than the prescribed limit and the scheme was prepared for supply of water at 70 litres per day per head instead of the norm of 40 litres.

(c) The scheme has now been included in Phase II of the World Bank assisted project. The work on the project is likely to start after a year or so.

Sanitary facilities to all Villages in the Country

@@@2104. SHRI S. K. T. RAMACHANDRAN: Will the PRIME MINISTER be pleased to state:

whether there is any programme under Government's consideration to provide overall sanitary facilities to all villages in the country, such as provision of public lavatories, under ground drainage, protected water supply etc?

@@@Previously Unstarred Question 1057, transferred from 3rd March, 1993.

THE MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT) (SHRI UTTAMBHAI PATEL): Drinking water facilities are being provided in 'No Source' and partially covered villages|habitations under the on-going normal Plan programmes—Rajiv Gandhi National Drinking Water Mission including Accelerated Rural Water Supply Programme; Minimum Needs Programme (MNP) etc. Individual household latrines are taken up under State Sector MNP and Centrally Sponsored Rural Sanitation Programme. Construction of institutional sanitary latrines in rural areas and institutional sanitary works like drains|soakage pits near handpumps|stand posts on community|institution basis are taken up under Jawahar Rozgar Yojana, Sanitary latrines are also constructed as part of Indira Awas Yojana.

Proposal from the Assam Government for supply of drinking water

2105. SHRIMATI BASANTI SARMA: Will the PRIME MINISTER be pleased to state-

(a) the details of various proposals, schemes and representations received during the period 1st January, 1991 to 31st December, 1992 from the Assam Government with regard to the supply of drinking water in various villages of Assam;

(b) the action taken so far in each case; and

(c) the funds provided for the supply of drinking water in those villages during the above period?

THE MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT (DEPARTMENT OF RURAL DEVELOPMENT): (SHRI UTTAMBHAI PATEL): (a) to (c) The details of various proposals received during the period 1st January, 1991 to 31st December, 1992, the action taken thereon and the funds provided for supply of drinking water is as per statement.
